

SECTION 3

SAFER AND MORE-FAMILIAR ON-THE-ROAD CONNECTIVITY – ANDROID AUTO

Lori is a Grad Student. She's on a tight budget but is excited to be making her first-ever new car purchase. Like many people her age, she's tied to her phone. She's excited to buy a car but isn't convinced a CUV is going to be tech-forward enough for her. You let her know that Android Auto will soon be available on Tucson. She wants to know what Android Auto will do.

To learn more about Android Auto, please scan the Layar icon on the station display banner to access a special video presentation.

1. It's estimated that over 3,000 people a year die in traffic accidents caused by distracted drivers.

- a. 1,000
- b. 2,000
- c. 3,000
- d. 5,000

2. How does Android Auto reduce distractions?

- a. Emphasizes voice-commands, for hands-free interactions
- b. Uses a familiar screen interface
- c. Uses only approved, driving-safe apps
- d. All of these
